26th February, 1975

My dear General,

Please refer to your note dated 3 Feb 75 on the application submitted by Mrs. Leelavathi, Nursing Tutor, Mental Hospital, Bangalore requesting for short term attachment or posting of her husband, 258017 Cpl Nachappa AT from No. 16 Wing to a unit in Bangalore.

2. I have had the matter examined. It would appear that Cpl Nachappa has about 12 years service in the Air Force, out of which he has spent nearly 9 years in the South, at Avadi and Bangalore. It is not, therefore, ordinarily feasible to give him another posting to Bangalore at this stage. I understand that Cpl Nachappa is presently on attachment to ASTE in Bangalore. We will try and keep him there for another 3 or 4 months on attachment, which I hope should meet his family's requirement. At the expiry of the period, I regret, the airman would have to return to his parent unit.

With very warm and personal regards

Yours sincerely,

General K. M. Cariappa
